Pool Etiquette Reminder!

1. When you leave, be sure that umbrellas are closed and chairs are placed where you found them with the chair put back on the top rung
2. Place any pool toys in the wooden shed by the restrooms, not in the pool house
3. Take your garbage with you
4. Ensure the pool gate is closed all the way when you exit
5. Take a moment to make sure you left the pool area as you found it!

Tara Pet of the Month

Meet Lucy, the 11 year old retriever/corgi rescue who lives in #44 with her mom, Elizabeth Spears and she has three human brothers. Lucy was abandoned in her cage at the Golden Rescue of Atl one night. Luckily, they left a note with her name and birthday. And even more luckily, she was adopted by her new family when she was 3! Lucy has a bit of anxiety with humans, so make sure you are slow when you say hello to her! Lucy's favorite things are eating, food, and getting snacks. 12/10 cuteness score for Lucy!

MEET THE BOARD 2023!

**Friendly reminder that our board members are volunteers!
They support us so well, so we ask that all neighbors treat them
with gratitude and respect. Thank you so much Board Members!**

Meet Bill Barney!

Bill Barney has lived in Tara since 1998. Bill grew up in Cleveland, Ohio, went to school in Michigan and moved to Atlanta in 1986 through several corporate transfers. Bill is a retired small business owner.

Bill is the father of two adult children; Will, who lives in Chicago and Kate who lives in New York and Maine. Kate has recently had her first baby. She and husband, Jesse, welcomed Hope into the world last November.

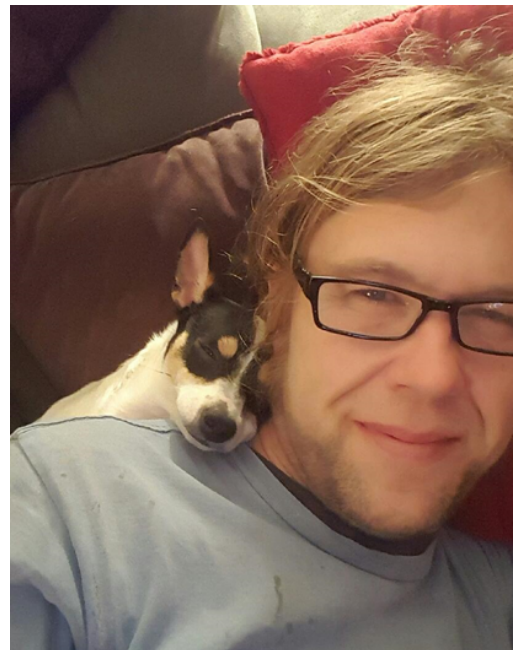

Bill and Kathryn Ferguson Hastings were married six years ago and live at Tara 30. Kathy has two children; Patrick who lives in Baltimore with his wife, Martha, and their three boys, while daughter Jeanne lives in Atlanta with her husband and their three children.

Meet Brent Addison!

Brent and his partner, Susie Patterson, and 7-yr old dog, Pearl, have lived in #42 since April of 2021. Brent is a scenic artist in the film industry (super cool!).

When Brent and Susie aren't working (or spoiling their dog, Pearl!), you can find Brent sea kayaking or drumming, and you can find Susie enjoying travelling to Bed & Breakfasts and spa resorts.

Meet David Coursey!

Along with his partner, Scott Higley, David has been an owner at Tara (#32) since February 2022. They have lived in Buckhead for over twenty years and moved here from Plaza Towers where they were for the last twelve years.

During their time there, David served on various committees and enjoyed seeing the community grow and improve through several capital improvement projects. He understands the challenges of balancing the wants and needs of homeowners with the responsibility of board management and property oversight. David loved the Tara community from the first time they visited and when they decided to make a move this is the only community they looked at!

Professionally, David is the Managing Director and an Officer of the Board of Managers for ABMS Solutions, the largest provider of physician board certification data in the U.S. He hopes to be able to bring his operations and managerial experience to the board for the benefit of all Tara Townhomes homeowners.

Meet Zach Kubie!

A resident of Tara since March 2022, Zach is a top-producing Realtor with Atlanta Fine Homes Sotheby's International Realty. He holds a business degree in Real Estate and Marketing from The University of Georgia, where he graduated Summa Cum Laude in 2017. When Zach is not selling Real Estate, you can find him renovating his townhome (an endless, yet exciting project), attending UGA football games, and visiting his family and beloved dogs back home in Brooks, Georgia, a community right outside Peachtree City. In the time Zach has lived at Tara, he has enjoyed experiencing the strong sense of community shared amongst neighbors and looks forward to continuing the betterment of the neighborhood as a member of the board.

Meet Anne Miseyka!

Anne has lived at Tara for slightly over 20 years. You can see her walking through the community frequently or out by the pool reorganizing the pool furniture. She's either by herself or with Chipley, who is a large standard poodle and is frequently mistaken for a small pony. She was born and lived her early years in NJ, went to high school for a year in Japan and while there her parents moved to Florida. She attended the University of Florida for her undergraduate degree in business and received her MBA from Crummer Graduate School of Business at Rollins College.

Anne first started her career in the financial industry working in the corporate trust arena. However, the majority of her career she worked for Johnson & Johnson in the pharmaceutical industry. At J&J she held a variety of different positions (sales, marketing, training, finance, compliance). She retired two years ago (for the second time) and now works for fun, part-time at an upscale home consignment store Now & Again. Anne loves to travel internationally and has visited close to 70 countries. When asked her favorite place she will reply "home". She's an avid sports fan and loves the college football season above all other sports. She loves living at Tara and enjoys spending time with other residents who live here as well.
