PET OF THE  
MONTH

# ♦ MOCHA ♦

Meet Mocha, the 8-year-old Havanese who rules #10 with a wagging tail and an insatiable love for cheese. This fluffy little monarch adores his parents, Olga and Kris, and has fully embraced the perks of being an only child—like never having to share the couch or the last bite of anything delicious. Mocha's day is a whirlwind of naps, walks, naps, and more cheese. Just don't leave him alone, or he'll have you believing he's been tragically abandoned in the wilds of suburbia.
